Vocational Education and Training (VET)

Mrs Julie Demasi

What is VET?

- Operates as part of VCE or VCE – VM Pathways.

- Can include work placement and hands-on experience.

- Some courses may add to your ATAR.

- Competency-based assessment.

- Usually a 2-year course.

What is VET?

- Gives students a good insight into industries
  and many of our students move from a
  VET Course into a School Based Apprenticeship
  or Traineeship or full time employment.

- Offers 'hands-on' practical training with less theory-based learning.

- Students will gain skills required to move into the workforce.

**If you plan on studying VCE VM
YOU MUST undertake at least ONE VET subject**

School Based Apprenticeships and Traineeships (SBAT)

Mrs Julie Demasi

What is a SBAT?

- School Based Apprenticeships/Traineeships (SBAT) allows students to combine their secondary studies with paid part-time employment as an apprentice or traineeship in their chosen industry.

- Traditionally, they are undertaken in Years 11 & 12 whilst students are completing their Victorian Certificate of Education (VCE) or Victorian Certificate of Education Vocational Major (VCE - VM) qualification.

What is a SBAT?

- A SBAT provides students with 'hands-on' industry experience and the ability to work towards a nationally recognised qualification, whilst completing their secondary school certificate.

- Part of an SBAT involves students undertaking vocational training. This is provided by a Registered Training Organisation (RTO).

SBAT Eligibility

- Students must be at least 15 years of age to undertake a SBAT and undertaking either VCE or VCE VM.

- SBAT's are discussed individually with students and their parents to make sure students are ready to undertake a SBAT.

- Further information can be obtained from Mrs Julie Demasi.

ATAR

- Unit 3/4 Study Score (out of 50) is scaled.

- These scaled marks are added together to provide the student's ATAR.

  ❑ English studies (English/Literature)

  ❑ and next best 3 subjects

  ❑ Plus 10% of fifth and sixth subjects

The ATAR is a ranking used to determine students' accessibility into tertiary courses.

Scored VCE for Year 11

What does this include?

- GAT – will be completed mid-2025.

- Completing Unit 3 and Unit 4 consecutively in the same year.

- SAC – School Assessed Coursework

- SAT – School Assessed Task (folio tasks, Media, Art, Studio Art).

- **Scaled score in English / Literature** — **32**
- **Scaled scores of their next best three studies** — **36 30 29**

10% of the scaled score of 5th study — **2.8**

10% of the scaled score of 6th study — **2.5**

Total **132.3**

This total is converted to a ranking score based on a 100-point scale

↓

e.g. Total 208 may = 99.95 ATAR   Total 132.3 may = 73 ATAR

ATAR → **A ranking which compares all students across all studies**

VET Subjects link to ATAR

- VET subjects with a scored assessment exam (such as VET Sport and Recreation) are scored just like any other VCE subject to contribute to your ATAR

- VET subjects without a scored assessment exam (such as VET Agriculture) are calculated using 10% of the lowest study score of your primary four.
